## **National Guard Association of Indiana (NGAI)**

### **Corporate Membership Program**

The National Guard Association of Indiana is determined to promote and support high military efficiency, and adequate national security. Since its inception, almost four decades ago, the Association has been the devoted advocate of a modern and ready National Guard. The NGAI is the representative voice of the Indiana National Guard in support of federal authorization and appropriation requirements. The goal of the NGAI in partnership with industry is to ensure the readiness and modernization of the Army and Air Guard to remain ready, reliable, and relevant.

As partners, we strive to:

Develop and synchronize essential policy and legislative issues, simulate consensus and grass roots support for Corporate Members. Receive information from our corporate members regarding their latest technology and equipment.

Solicit and maintain support in the Department of Defense and Congress, and by our combined efforts to maintain and enhance readiness of the Army and Air National Guard. Support the National Guard Association of the United States and the Military Coalition legislative efforts.

Support adequate funding for essential programs like:

- Military construction and real property maintenance
- Support Total Force policies and programs for a fully modernized, missioned and integrated Army and Air National Guard.
- Full-time manning
- Personnel "Quality of Life" Issues

The NGAI places increasing reliance on its strategic industry partners. To this end, the NGAI invites companies, which are committed to the national defense, to become a partner with NGAI and to meet our mutual goal. Corporate membership with NGAI provides:

- High quality and timely business information
- Increased partnering opportunities
- Affiliation with a large influential and effective military lobbying organization
